KAVANA.M COMMUNICATION DESIGNER

22yr old, born on: 12th June 2002   She/ Her

I am Kavana M, a Bangalore-based communication designer pursuing my master's degree in user experience design at RV University. With a diverse background, I bring experience from the advertising, fashion, and ed-tech industries. My work centers on UX/UI design, social media management, game design, research, and internal branding. I am particularly passionate about integrating artificial intelligence and machine learning into branding strategies. My enthusiasm for exploring new avenues in design and technology drives me to continuously learn and innovate.
